**Feis Dhun Dealgain celebrates its twenty year anniversary,
from 1997 - 2017.**

We are celebrating twenty years of Feis Dhun Dealgain, it's a fantastic achievement and I really hope you will support us as much as possible in this exciting year.

Please look at the competitions with your children and discuss their choices. Students may enter as many competitions as they wish, bearing in mind some of them are reliant on other participants. Please check out the rules and regulations inside.

We have included an extra special competition this year, the Senior Award is open to past competitors from 18 years up. The competition will be held on Saturday evening, just before our 20th Anniversary Celebration party.

Many thanks for your continued support, this wonderful event could not continue without its sponsors, participants and you, the parents

My sincere thanks. Patricia
